

Exploring AI

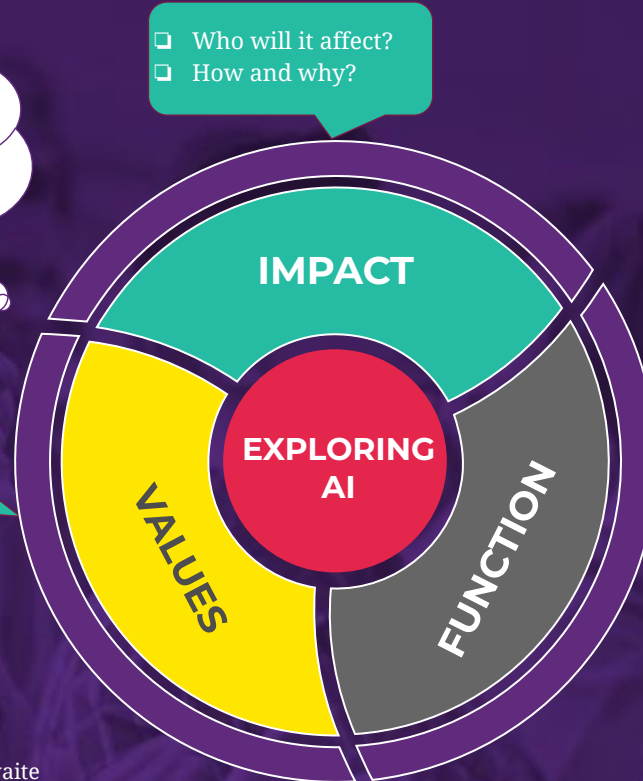

IMPACT | VALUES | FUNCTION
DISCUSSION FRAMEWORK

Keeping in mind:

- Discussion v. position
- Am I creating space for learning and dialogue?
- Am I open to hearing concerns?

- ☐ Who will it affect?
- ☐ How and why?

- ☐ What should we use AI for?
- ☐ What is good about it?
- ☐ What is bad about it?

- ☐ Why are we using it?
- ☐ What problem are we solving?
- ☐ Where does it/can it fail?
- ☐ Have we done our due diligence?
